**APPLICATION FOR ENGINEERING PLAN APPROVAL ; or
AMENDMENT TO APPROVED PLANS**

As applicable
RMA / ABA number
Stage of stages
Amendment to RDC

<p><i>RDC office use only</i> RFS:ENG Opened on RDC Receipt</p>

Developer/Development:

Site Address:

Application is made pursuant to clause 103.2.2 of the “Standards for Engineering Design and Construction” for engineering plan approval for the following works:

- | | |
|--|---|
| <input type="checkbox"/> Earthworks / site regarding | <input type="checkbox"/> Roading |
| <input type="checkbox"/> Street lighting | <input type="checkbox"/> Stormwater drainage |
| <input type="checkbox"/> Wastewater Drainage (incl. pump stations) | <input type="checkbox"/> S/W treatment/attenuation facilities |
| <input type="checkbox"/> Landscaping (roads and reserves) | <input type="checkbox"/> Water supply reticulation |
| <input type="checkbox"/> Private ways | <input type="checkbox"/> Playground or other structures |
| <input type="checkbox"/> Gravity on Pressure | <input type="checkbox"/> Other..... |
| <input type="checkbox"/> | <input type="checkbox"/> |

NB: With the exception of earthworks (which may be processed separately if desired), all works required by consent conditions and all other proposed works must be detailed in the one application. Failure to do so will result in processing delays. Approval of proposals at a later date may be declined.

The following documents are attached:

- | | |
|--|---|
| <input type="checkbox"/> Three copies of plans and specifications | <input type="checkbox"/> Appendix G1: Design Certification |
| <input type="checkbox"/> Appendix A: Engineering Plan Checklist | <input type="checkbox"/> Appendix K: Catchment Calculations |
| <input type="checkbox"/> S/W treatment/attenuation calculations | <input type="checkbox"/> Other Relevant Calculations |
| <input type="checkbox"/> Pavement design | |
| <input type="checkbox"/> Insurance Certificate (if Developer’s Engineer not “current” on Council’s Register) | |
| <input type="checkbox"/> Processing deposit as set out in the Councils published schedule of charges (not required for plans associated with <u>consented</u> subdivision) | |
