

Warkworth Town Centre Upgrade – Stage 1 Update #5 – 10/9/09

RDC making a positive difference

Thank you for your cooperation and patience during the road closure last weekend. This closure enabled the contractors to reconstruct the road carriageway and along with other works they were able to construct 4 concrete pedestrian crossing points.

The final road seal is programmed to take place next week (weather dependent). These works will be completed over night with the minimum of disruption to all.

The works are on target for completion by end of September. The seating will be installed soon.

Below are some photos taken during the weekend works:

Queen Street

Outside Sportsworld

Foam Bitumen Stabilising Train

Mill Lane Pedestrian Crossing Point

If there is an immediate issue that needs attending to, who do I contact?

- Phone our Call Centre on 0800 426 5169
