COUNTDOWN TO RUGBY WORLD CUP

Rugby World Cup 2011

Community Comment Form

Rodney District Council is working to prepare our district for the Rugby World Cup 2011.

Together with other local Councils in the Auckland Region, Rodney District Council is working hard to bring as much activity as possible to the Auckland region to optimise local benefits.

We want to make sure that Rodney communities and businesses benefit from the opportunity to engage with this international event and the visitors it brings.

This is to maximise the economic benefits to our district and also so our residents and communities can take part and enjoy being part of the third largest event in the world.

And we want your ideas about how you think we should do it! Please complete this form to let us know your views.
