CONDITIONS OF REBATE:

- The rebate is for \$500 against the cost of the tank, and up to a maximum of \$500 for associated consent costs (a total maximum of \$1,000). Approval of the application is totally at Council's discretion.
- Preference will be given to the retro-fit of existing houses and to problem catchments where the tanks will be of benefit for reducing stormwater runoff.
- The tank water must be used for non-potable (non-drinking) purposes only (e.g., garden watering, toilet flushing).
- Does not apply to rural properties or non-reticulated urban areas.
- Does not apply to new developments if a full or partial supply rainwater tank is required in order to obtain a building or resource consent.
- Minimum tank size is 4,500 litres (but larger tanks are preferred).
- Tanks are to be privately owned and serve only one house.
- Tanks must be installed and maintained in accordance with manufacturer's recommendations and Council's guidelines.
- Tanks must be correctly plumbed into house systems, including a backflow prevention device.
- Rodney District Council is able to use photos and details of the installation in any promotional material.
- The offer is limited to the first 20 applicants per financial year (1 July to 30 June).
- The application must be made prior to installation of the tank. The rebate will not be released until the receipt(s), Code Compliance Certificate, and evidence that the tank was installed by a registered plumber are received.
