Dear Chris,

Formation of a Puhoi Pioneers Memorial Park advisory committee

Rodney District Councillor Grahame Powell has explained to the Puhoi Community Forum the requirement by the council for local advisory committees to assist in the management of its parks and reserves.

We have discussed the matter of the formation of such a committee for the Puhoi Pioneers Memorial Park, including the Puhoi River Park, and now request the council to initiate the process by which the committee can be formed.

With thanks and kind regards,

Judith Williams
